600PSI

Please recommend the good products to your clients and suppliers

Why they are good:

- 1, Long term **stable quality** guaranteed
- 2, Further **discount** could be obtained
- 3, Product certifications **globally certified**, you don't have to buy from other vendors for different approved products
- 4, **5 million US dollars** on water products Product Liability Insurance.
- 5, **10 million US dollars** on gas products Product Liability Insurance
- 6, The product recall could be activated for each batch claim, indemnity up to **US\$200,000 dollars**

Please let us know if you have asked your supplier to buy from us, this will help us:

- 1, to offer a **better price**
- 2, to list your company to our **insurance policy** timely
- 3, to report order situation to you, in prevention of your supplier changes vendor without your permission
